3. Submit the Broward College International Application form, along with a deposit of Rs. 25,000/-.
4. Once the Broward College admission is confirmed, the student will pay the first term fees. The deposit will be adjusted towards the first term fees.

### College Credit for Prior Work

College credit may be given for prior work. Each application for credit is evaluated individually, and on a case by case basis. There may be a cost associated with such an evaluation.

### Advanced Placement (AP)

Broward College participates in the Advanced Placement (AP) examination program offered through College Board (<http://www.collegeboard.org/>). Students earning a score of 3, 4, or 5 on the nationally administered examinations may be eligible to earn BC credits. Students are awarded credits only. Grades are not given for AP courses, and AP credits are not included in the calculation of grade point averages. In order to consider awarding credit, Broward College requires an official Scores Report; a candidate's copy is not acceptable.

## Cambridge AICE (British A-Level) Exams

The AICE program is an international, advanced secondary curriculum and assessment program equivalent to the British system of "A-Levels." Passing scores of E and above (E thru A) may be eligible for credits of different levels.

## CLEP (College Level Examination Program)

Students who complete computer-based CLEP and receive a scaled score of 50 and higher ("C" Level) may receive credit.

## International Baccalaureate (IB) Program

Post-secondary credit for student participation in the IB diploma program shall be limited to students who earn a minimum of 4 on a 7-point scale, on an individual subject examination conducted by the IB office.

## Estimate of Costs

The fees for the 2+2 American Bachelor's Degree Program is payable to The National Management School for years 1 and 2, and in the United States to the university to which the student transfers for years 3 and 4.

	<b>Total</b>	<b>USD 36,000/-</b>

Out-of-state tuition fees in the USA can vary from USD 12,000/- per year to USD 50,000/- per year.

Living Expenses in USA	Monthly expenses can vary from USD 750/- per month, depending on how the student chooses to live.	
	Year 3 (USD 750/- X 12)	USD 9000/-
	Year 4 (USD 750/- X 12)	USD 9000/-
<b>Total</b>	<b>USD 18,000/-</b>	

Additional expenses in the United States will be travel, health insurance, books, personal, and lifestyle expenses.

The National Management School is an International Center of Broward College, Florida. NMS is authorized to offer the accredited two-year Broward College Associate of Arts degree. Students who join this program study the Broward College curriculum, and get their AA degree from Broward. They can then transfer to ANY university in the USA to complete their bachelor's degree in ANY subject.

The National Management School was started in India, by a group of professors from various US Universities who wished to offer American quality education in India at affordable fees. NMS began with the intention of providing management education in India. Subsequently, other programs were added, and The National Management School today, is an innovator in providing American style education in India. NMS builds strong relationships with American universities, and has a network of faculty who are interested in teaching at NMS. The 2+2 American Bachelor's Degree program is one such innovative offering that brings an American accredited program to India so that students can study an American undergraduate curriculum here in India, before going to the US to complete their Bachelor's degree.

## West Campus
